The 2019 Peanut Butter Egg Fundraiser!

WHAT AN EGG~ORDINARY OPPORTUNITY WE HAVE FOR YOU!

House of Hope York is kicking off our 2019 Peanut Butter Egg Fundraiser and you don't want to miss this opportunity!

We are inviting local businesses to partner with us for this *egg~citing* event!

About Us

House of Hope is a non-profit 501 c(3) Christ-centered residential home and school located in southern York County. We work with struggling teens and their families to bring hope and restoration to their lives through counseling, academic education, life skills education and spiritual guidance. This annual fundraiser plays a huge role in providing the necessary funding needed to **offer life-changing & life-saving second chances** to families who have no hope.

The Fundraiser

During Jan, Feb & March we **hand-make and sell over 240,000 peanut butter eggs** for Easter. This event opens up awareness to the local community of our mission at House of Hope, as well as many volunteer opportunities. In past years we have hosted over 500 different friends from the community who donate many hours to help make this event a success. This yearly fundraising event has reached goals of \$20,000! In addition, we are blessed by many supporters of House of Hope who promote and purchase the peanut butter eggs through various connections and channels.

The Opportunity

The expenses to produce the eggs each year are approx. \$6,000. We offer sponsorship opportunities to assist us in designating a larger portion of the proceeds directly to House of Hope. Your sponsorship helps us help others!
